

CARE INSTRUCTIONS

Daily cleaning can be done by wiping the frame with a clean dry cloth. Should the surface need more attention this can be cleaned with water and a light detergent or soap applied with a damp cloth. Wipe after with a clean dry cloth. Avoid any abrasive materials.

TROUBLESHOOTING

If lamp does not light, turn off the power. Check the bulb for a broken filament. Replace bulb if necessary, then turn it on. If the lamp still does not light, please contact customer service at the local dealer. If the external flexible cable or cord of this lamp is damaged, it must be replaced by a qualified electrician in order to avoid a hazard.
